

Dear Channel Partner,

Pursuant to the recent revision in **GST rates applicable to healthcare and medical devices**, and in accordance with the Legal Metrology Notification (Ref: I-10/14/2020-W&M issued by the Ministry of Consumer Affairs, Government of India, dated 18th September 2025), the **Maximum Retail Price (MRP)** of Meril Diagnostics products stands revised.

The revised MRPs shall be applicable on **all supplies billed with effect from 22nd September 2025.**

Key Compliance Points:

1. The revised MRP list (showing both old and new MRPs) is attached herewith for your ready reference.
2. As per the above notification, affixing stickers to reflect the revised MRP on pre-packaged commodities manufactured prior to 22nd September 2025 is **permitted on a voluntary basis, but not mandatory.**
3. Notwithstanding the above relaxation, it is imperative that you, as distributors, **communicate the revised MRP to all customers (labs, hospitals, doctors)** and ensure that **the revised prices are transparently passed on to patients/end users during billing.**
4. To facilitate uniform communication, we have also attached a draft customer letter which you may circulate to your institutional buyers for compliance purposes.

We advise you to align your commercial practices with the above notification and ensure timely dissemination of this change to your

customer base. This will mitigate any risk of non-compliance under the Legal Metrology (Packaged Commodities) Rules, 2011. Should you require further clarification, please feel free to connect with your Meril representative.
